About Me

Motivated and detail-oriented Cloud DevOps aspirant with a strong academic background in Computer Science and hands-on exposure to AWS, Python, React, and full-stack projects. Recently completed AWS Cloud Practitioner Foundational and AWS Cloud FinOps certifications, along with the AWS re/Start program. Eager to begin my professional journey, learn rapidly, and contribute effectively to real-world cloud environments. Strong communication skills, team collaboration, and a persistent learning mindset.

Skill Set

Software

Education

2021 – 2023	M.Sc (Computer Science) - 78%	Thiagarajar College Of Arts, Madurai
2018 - 2021	B.Sc (Information Technology) - 78.26%	Yadava College, Madurai
2017 - 2018	(Higher Secondary) - 58%	MNUJNHSS, Madurai
2015 - 2016	(Secondary) - 84%	MNUJNHSS, Madurai

Academic Project

2023	SinglePage Application Using Serverless Concept –Built a fully interactive SPA to modernize an existing eBook platform (Pustaka: 200 → 5200+ titles). –Improved admin dashboard performance using serverless APIs for faster, scalable interactions. –Implemented resource-optimized AWS backend for cost-efficient operations. React.js Node.js AWS Lambda API Gateway
2022	Student Requisition Portal –Developed a student portal for submitting and tracking document requests. –Created admin workflows for approving and issuing records in real time. –Improved institutional communication with a user-friendly interface. Python Django SQLite
2022	Contributory Broadcast Encryption with Efficient Encryption and Short Ciphertext –Implemented a cryptographic model allowing secure message broadcast to selected users. –Built a simplified UI for encryption/decryption processes. –Achieved reduced ciphertext size and efficient key distribution. PHP / MYSQL

Certifications

React js - Udemy - Andru Neagoie , Yiuha Zhang.
Python - GUVI - IIT Pravarta.
Architecting with Google Kubernetes Engine Workload - GOOGLE.
Introduction to Figma - Simplelearn
AWS re/start graduate
aws cloud practitioner Foundational
AWS Cloud finops certifications - AWS

Soft Skills

- Effective and clear communication
- Good leadership skills
- Working collaboratively in a team
- Time Managment

Key Skills

- Software Development
- Machine Learning
- Knowledge in DBMS
- Basics in AWS
- AWS (EC2, S3, IAM, Lambda, CloudWatch, VPC, SNS, CloudTrail, Billing and Cost Optimization, FinOps Basics)
